BELMONT CLASSICAL ACADEMY

Classical Christian Education K-12

2021-2022 School Profile

CEEB Code: 450085

SCHOOL PHILOSOPHY

Belmont Classical Academy is an independent K-12 school in the classical, Christian tradition. In partnership with parents, Belmont helps each student acquire an education of the highest quality, pursue happiness, and become an influence for good in the world.

Belmont Classical Academy is an excellent fit for academically-motivated college-bound students in Utah. Latin, a key part of the academic core, is taught in grades 2-12. Advanced Placement courses are offered in Latin, French, Chinese, English, and Calculus. Students are accepted into the Belmont high school program based on academic achievement and a demonstrated desire to cultivate the Belmont virtues: *Caritas, Veritas, Actio* (Love, Truth, Action).

ACCREDITATION

Belmont Classical Academy is accredited through the Classical Latin School Association (CLSA) (classicallatin.org).

LATIN & FOREIGN LANGUAGES

Each Belmont graduate has a distinct advantage through their study of Latin:

- Latin is required in grades 2-12.
- Students take the National Latin Exam each year, grades 7-12.

Belmont graduates complete at least 4 years of foreign language study. They frequently take and pass the AP test in their chosen language. This focus on world languages and cultures prepares graduates to connect with others around the globe.
