385-230-5524

SUMMARY

Belmont Classical Academy is seeking a motivated and engaging High School Chemistry teacher for students grades 9-12.

HOURS

This is a part-time position, teaching 1 hour each day, three days per week at the American Fork campus. If more hours are desired, this position may be combined with other teaching positions at Belmont.

JOB DESCRIPTION

Responsibilities for this position include:

- Help students master High School Chemistry using approved books and materials.
- Ensure that the class is curriculum-centered, teacher-led, and student-responsive, while showing each student respect and dignity as a child of God.
- Strive to model the Belmont Code of Conduct.

This teacher reports to the Head of School.

EDUCATION

Bachelor's degree.

COMPENSATION

Commensurate with experience.
